

Artistico - Foglia (Foil)

Acrylic copolymer emulsion based, shiny, semi-opaque, metal looking decorative finishing layer of internal and external surface paint.

Areas of Use

Application must be made on textured, acrylic and mineral based coatings and paintable wall paper after the preparation of the surface is completed.

Specifications

Concentration: 1,07 \pm 0,02 (gr/ml)

Application

The surface is prepared by means of textured application on newly or previously painted surfaces. Textured surface must be painted in a color that would be in harmony with the color of the finishing layer. In applications of **Bianca Artistico Foglia** in the color desired by means of a roller on painted surface, 4 hours standing period must be allowed between each layer and 2 layers must be applied. In applications on white surface, again 4 hour standing period must be allowed between each layer and 3 layers of the product must be applied. If the application surface is covered with wall paper, **Bianca Artistico Foglia** in a color desired will be applied 2 to 3 layers by means of a roller and by observing the drying times after the application of paint in a color recommended for the underlying surface.

Thinning (Volume)

The product is ready for use. It does not require dilution.

Drying Period (at 20°C, %65 HR)

Dryness to the Touch: 45 minutes

Complete Dryness: 24 hours

Coverage

Depending on the application and the surface, for single layer, 1 litre will be enough to cover the 9 - 12 m². To determine definite consumption amount; controlled sample test must be conducted.

Storage Hazard Statements

The product can be stored for 2 years in its unopened package, in a cool place, and protected against direct sunlight and frost.

Packing

0,75 / 2,50 / 7,50 / 15,00 lt

Hazard Classification

- Skin Irritation 1A; H317: May cause an allergic skin reaction
